The past 17 years have gone by quickly! As a local, family-owned business founded in 1991,

The Coffee Grounds was one of the first coffee shops in Wisconsin. What began as a small 800 square foot coffee shop in London Square Mall, has now evolved into a 7,000 square foot retail store while still maintaining a pleasant, enjoyable place to shop and have coffee or lunch. We opened a location in the Marshfield Clinic in Eau Claire in September 2007 and another location in the Village Shops of Lake Hallie in Chippewa Falls in October 2007. We really branched out when we bought an existing business on the Mississippi River in Alma, Wisconsin, in July 2007. We are in the process of a face lift there and will reopen this spring with a new look, new products and exciting lines of gifts. Take the beautiful drive to Alma and stop by and see us along the river. We are excited to be part of the growing community of Alma.

## The Wine Cellar

### St. Brendan's Irish Crème

Not all Irish Crèmes are alike. Unlike others, St Brendan's is made from triple distilled and aged Irish Whiskey and the freshest dairy cream from their own dairy at Leckpatrick. This makes St Brendan's Irish Crème the finest, smoothest and possibly the only one to use real Irish Cream and real Irish Whiskey. No dairy substitutes, no preservatives, no artificial ingredients, in other words, NO CHEATING. Only the finest

ingredients go into St Brendan's. The best part of all, is that it is about 30% less than Bailey's. We are giving you the opportunity to try it yourself—I know that you won't be disappointed. Regularly priced at 14.99—it will be **\$12.99** for the month of March.

### March's Wine of the Month Selections
